## Re-Location of Social Services

Present were Mayor Fowler, Councillors Bakker, Bull, Wheatley, Donais, Gibbon and de Bruijn, secretary-treasurer J. M. Fleming, S. L. Billings, assistant secretary-treasurer; J. Maandag, town engineer; J. Roberts, development control officer, J. X. Woodroffe Edmonton regional planning commission and Mrs. J. Mustaklem, recording secretary.

Mayor Fowler presented scrolls to individuals and groups who have contributed to St. Albert's Centennial year. Those receiving them were:

Mrs. Lillian Upright who produced St. Albert's Centennial Celebration of Canadian music.

Leo Nickerson Parent Teacher Association who landscaped the school front, Mr. Parkin accepting.

Mrs. Luci Hermans who served as "Miss Centennial" Alberta Teachers Association (St. Albert Local) who sponsored an Oratorical

Contest, L. Thronson accepting.

Youville Auxiliary who provided an aquarium and planted trees at the Youville Home, Mrs. Bashand accepting.

St. Albert High School who arranged a student exchange trip - Curt Lantinga accepting.

St. Albert on Sturgeon Players who put on "The Diary of Anne Frank", Mrs. Shirley Martin accepting.

Jim Drysdale who collected early Big Lake Settlement photographs and history.

Newcomers' Club who provided trips for residents of Youville Home, Mrs. J. Loos accepting.

Waterworks operating statement was discussed by council at length. One of the main topics of discussion was a way in which to prevent the town from incurring a deficit similar to the one for the summer due to the dry season.

Mr. Fleming introduced

the accounts payable report for October and advised council that Councillor Wheatley had approved these accounts as chairman of the finance committee. Mr. Bull asked to see the account report. Mayor Fowler asked if he would like to be notified in future when the accounts payable are being reviewed. Mr. Bull replied in the affirmative.

Mr. Gibbon moved the accounts payable for the month of October in the amounts of: General \$390,406.30; capital \$85,578.62; and welfare \$2,049.89 will be paid. Motion carried, Councillor Bull opposed.

Report from superintendent of parks and recreation department regarding pre-fab buildings advises against the sale of the pre-fab buildings which the town owns.

The report was referred to the Finance Committee for recommendation to council.

A letter from the C.M.H.A. had been circulated to the council with respect to giving the town's support to the C.M.H.A.'s five point program for their war on mental illness.

Council will acknowledge the letter from C.M.H.C. indicating to them that we support in principle their war on behalf of mental illness but we do not feel qualified or in a position to evaluate and support their five point program.

A letter had been circulated to council regarding Willowbrook Homes and S. & S. Homes who wish to renew the options which they hold at the present time.

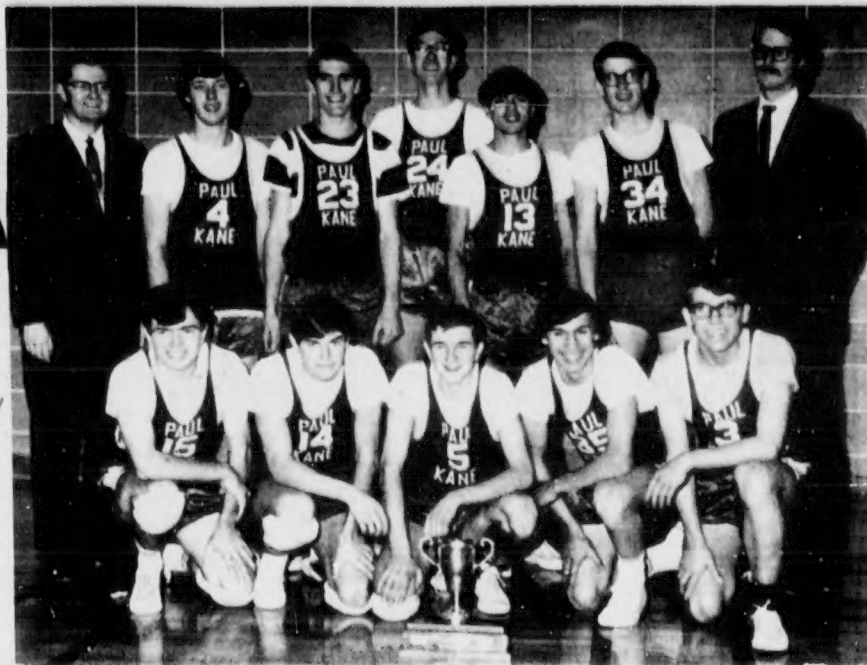

The options on Lots 52 and 53, block 20, Plan 296 N.Y. were renewed for Willowbrook Homes, for a period of 90 days.

Mr. Bakker stated that he wished to know what authority had been given for the spending of \$4,541.33 with R. Vollen. At this point council discussed at length whether, in fact, authority

## Student Honors

On the occasion of the St. Albert High School Achievement Day several students were overlooked in the presentations. The following students each obtained averages of more than 80% on two reports during the 1966-67 term, thereby earning a special Academic Crest: Bernice Parsons, Bogumil Romanko and Barbara Bambush for their Grade Ten achievement, and Shirley Mae O'Neill and Elaine McRae for Grade Nine achievement.

The Paul Kane Volleyball team are the provincial champs. Here they are from left to right: Ted Nemirsky, manager, Jens Oster, Jim Gowan, Hans Zylstra, Pal Kane, Mike Green and Coach Bob Fairbairn. Front row: Rick Bauman, Bill Connauton, Rod Adam, Keith Ahronson and Armin Kaupilla.

## Paul Kane Provincial Winners

The Paul Kane Volleyball team competed in the provincial finals in Calgary on Dec. 2 winning the B championship for the province.

The team qualified for the finals by winning the north-central zone tournament on Nov. 25 played off at Fort Saskatchewan. They defeated teams from Legal, Thorhild, Strathcona and Ardrossan.

The finals at Calgary were contested by eight Alberta teams. Paul Kane won their section by going undefeated through games with Sylvan Lake, Glendon and Pigeon Lake. They met Calgary in the semi-finals and won the

first game 15-13, lost the second 11-15 and came back to win the third game 15-3.

Paul Kane met McCoy High School from Medicine Hat in the finals. They dropped the first game 15-6 but never looked back again, winning the next two by scores of 15-6 and 15-5.

Calgary being so far away the cheering squad was few in number but made up for this in vigor. Among those attending the games were manager Ted Nemirsky, coach Bob Fairbairn, teachers Jack Bauman, Lorne McIntyre, Larry Krywanluk and school board member Dr. W. D. Cuts and Mrs.

Cuts.

The team played in the B section as there is now two divisions, one for schools with over 500 students and one for those with less. Victoria Composite won the A section. Last year all competed in the same league and Ross Shepherd won with St. Albert coming in fourth place for the province.

In an interview in St. Albert Dr. Cuts said "The final game was one of the most thrilling sport events I have ever watched. Both teams played so well and kept the volleys going for such long intervals. All this added to the excitement of the game".

## S.L. Billings Resigns

S. L. Billings has resigned his post as assistant secretary to the town of St. Albert. His resignation to become effective Dec. 30.

On Jan. 2 Mr. Billings will join the Edmonton Public School Board and will become business manager of the new W. P. Wagner vocational school in south east Edmonton on completion of its construction. The school will have about 1,000 students when completed.

Born and educated in England, Mr. Billings came to Canada in 1953 going directly to Lethbridge where he first worked as accountant office manager in a stationery store and then as chief accountant for Horne and Pittfield. He was transferred

by the company to Edmonton and left them in April of 1960 when the company sold out to IGA. He then came to St. Albert as assistant secretary.

Mr. Billings says he is looking forward with great enthusiasm to his new and challenging position but he says he certainly will miss St. Albert. "Over a period of eight years one makes a lot of ties but we do hope to remain in St. Albert at least for one more summer," he said.

Mr. Billings is married has no children and his favorite past times are gardening and a study of cars. He is a justice of the peace here and will remain as such.

## Bronze Glove Eliminations

The Hercules Boxing Club is staging elimination bouts for the fourth annual Provincial Bronze Gloves Tournament.

Boxers from Edmonton, Hinton, Wildwood, Drayton Valley, Acme, Red Deer, and Rocky Mountain House will participate in the eliminations to be held at Sir George Simpson School gym. Dec. 8 and 9.

Boys from St. Albert and Edmonton will box Friday evening starting 8:00 p.m. Out-of-town contestants will box 2:00 p.m. Saturday. The finals will start at 8:00 p.m. and the winners will compete in the Provincial Championships to be held in Peace River on Dec. 16.

Former St. Albert Bronze Gloves winners are Jim Kelly and Don Wilson (1965) and Niell Kelly (1966) Manager Frank Kelly reports that over sixty boys will compete in the two day program. To qualify for the Bronze Gloves competition a boy should not have had more than four previous bouts. Winners of Bronze Gloves Championship may compete for the Silver Gloves which is the next step toward the ultimate in amateur boxing the Golden Gloves which leads to possible selection to National Championships and the Olympic Games.

Tom Ferguson is president of the Hercules Sports Association and Brian Kelly is boxing coach.

## Fish and Game Forms Here

A Fish and Game Association for St. Albert and district was formed at a meeting Nov. 20 in St. Albert Community Hall. The proposal that a local association could be of benefit to sportsmen of the area came from the Community League and two of their members were appointed to look into the matter. Mr. Dan O'Connell and Mr. Gordon Kirby contacted a number of people whom they felt would be interested and finding considerable enthusiasm for the idea, they called an organizational meeting and invited

Mr. Paul Morck, manager of the Edmonton Fish and Game Association, to come out and talk to them.

An executive was elected at the meeting as follows: Gordon Kirby, president; Dan O'Connell, vice-president; Ray Rix, secretary and Jim Roberts, treasurer. Seven committee chairmen were appointed: Don Haden, membership; Dan Richardson, hunter training; Paul Poulin, bird chairman; Anton Rapati, fish chairman; Claud Valliere, public re-

## Flower Arranging

Last Thursday Arlene from Walter Ramsay's gave a most enjoyable demonstration of table arrangements, using both real and artificial flowers, with emphasis on the Christmas

theme. During the evening she was assisted by Mrs. Irene Gowans of 3 Grosvenor Boulevard. The door prize in the form of a beautiful arrangement of carnations was won by Mrs. Lella Engler, 52 Geneva Crescent.

lations; Ed Schmidt, program and Jack Mitchell, big game. The association will meet on the 2nd Tuesday of each month at 8:00 p.m. in the community hall.

Mr. Morck outlined the major objectives of fish and game associations which work for renewal of our fish, wildlife and natural resources and their conservation and management for the future. Local associations assist in the education of the people in their area to enjoy now the values of wildlife and natural resources and to conserve them for the benefit of future generations. All associations combine to present before all levels of government the views, proposals and desires of the organized sportsmen of Alberta.

He also gave helpful guidance in setting up the new organization and suggestions for initial projects. The meeting decided to conduct a Hunter Training instructor course and, if response warrants it, a beginners course.

Membership is open in the new Fish and Game Association to all interested men and women from the age of 14 years up and a drive for membership is the first concern of the executive. All

farmer sportsmen and those from the towns and villages in the district are most welcome and it is hoped that many of these people will join.

The local association will be in a position to devote more effort to local problems and projects such as the development of Big Lake, the establishment of a rifle range and similar activities. Under the voting structure membership in the local association will also have a stronger voice than formerly if they were members of the Edmonton Association. (Two votes are allowed each group from 20 to 100 members). Membership fee of \$2.00 also includes insurance coverage and those interested may enquire of Dan Richardson for further information.

Well known Alberta sportsmen Mr. and Mrs. George Mitchell will be guests at the Dec. 12 meeting in the community hall. Mr. Mitchell, who writes for the Edmonton Fish and Game Association, publication and the Alberta Sportsman will speak to the meeting on such matters as ice fishing and wildlife conservation. All district sportsmen are extended a warm invitation to attend.

## Legion Still Here

The last attempt to keep the St. Albert Royal Canadian Legion alive met with success and on Dec. 11 a meeting to elect a new slate of officers will be held in the Legion Hall.

A meeting was held last week with a good attendance of members and non members. Alec Bayrack, district commander of No. 2 command and Zone Commander Wilkinson and Bill Gordon, provincial first vice president were in attendance and each spoke for a short time.

Each speaker attempted to inspire the St. Albert Branch to keep going and impressed upon them the potential that there is here. They informed the meeting that once the charter is turned in there is no point of return.

Ten new members were signed up that night. Four new ones and six by transfers from other branches.

President Joe Doroucher was in the chair with treasurer Jim Byrne and secretary Doug Taylor also attending.

## Carolling

The community league would like anyone interested in Christmas carolling to come to the community hall Dec. 11 at 8 p.m. for a practise. The group will be going around the town carolling on Dec. 17 at 7 p.m., and returning to the hall for coffee and doughnuts later.

to authorize this payment had been given. Mr. de Bruijn stated that it was his understanding that the original arena by-law had authorized this expenditure. He further stated that council should send this problem to a senior authority for an interpretation if there was any doubt in the mind of council at this time.

Mr. Bull asked if there was a time limit on which a resolution of council could be quashed. Council discussed this and agreed to add an amendment to the effect that the cheque should not be released until two weeks after the resolution has been passed.

The \$4,541.33 will be paid to R. Vollen Ltd., no sooner than two weeks but prior to the end of the year and that the work completed to date be kept on file for future reference.

Land from Perron St. to the Highway between St. Anne and St. Michael St. will be paved. This to be included in 1968 capital budget program on a local improvement basis.

The street light situation in the central part of town will be referred to the public works committee for recommendation to council.

Mayor Fowler stated that he would table a report to council at the next regular

meeting regarding the meeting he attended in Banff.

Mr. Wheatley stated that he had no new business but would like to remind council that some thought should be given on the four subjects he had mentioned during the Oct. 30 meeting, i.e. the amalgamation hearing by the town, the Calgary Power franchise, whether the town should retain a consultant and possible annexation hearing by the local authorities board.

Mr. Donalds advised that he was very concerned with the fact that many children are riding bicycles after dark with no light or reflector attached. Mr. Gibbon stated that the Gazette should be notified of this problem and perhaps they would run a notice to parents concerning this. Mayor Fowler asked Mr. Fleming to contact the R.C.M.P. and investigate the provisions that are being made and if none, why?

Mr. Gibbon stated that he was concerned with the subject of loading zones.

The staff should investigate the possibility of off street parking during winter curling season, especially between the curling rink and the legion hall.

Mr. Bakker stated that he had written a letter concerning the 1968 budget which would be circulated to council for information during the coming week.

## Important Notice:

The annual general meeting of the St. Albert crafts guild will be held Dec. 13 in the ceramics room at St. Albert Community Hall at 9:30 p.m. Members and interested persons please come.

## Carol Night

Dec. 23 is Carol Night in St. Albert. And you are invited to join in. Just bring along your voice and a flashlight.

Daphne Hill of 22 Sturgeon Road, a student of Paul Kane suggested the idea. She feels this would be a fitting climax to the Centennial Year. Daphne enlisted the aid of Eric Robinson, the director of the United Church Junior Choir. Mr. Robinson has approached a number of the schools and other organizations and several groups have already voiced their enthusiastic support.

Lighting and a sound system will be provided at the park and the Carolers will be asked to sing a number of National songs.

Next week the Gazette will publish the routes the Carolers will take, none of which will exceed forty minutes.

Plan to participate! Invite your friends to join your family for "Carol Night in St. Albert."

## Knights of Columbus Installations

The Knights of Columbus councils of district No. 3 held a tri-council installation of officers in the Morinville Centre on Nov. 25. The conferring officer for this occasion was District Deputy Leon St. Martin of Legal.

The 36 officers from the three councils of St. Albert, Westlock and Morinville were dressed in full regalia and presented a colorful sight as they marched into the council chambers for the official installation. The impressive ceremonies were witnessed by a large gathering of Knights, wives, members of the Clergy, Sisters and guest members.

The newly installed officers for the St. Anne Council of Morinville are:

Grand Knight, William Krauskopf; Deputy Grand Knight, Pete Gibeault; Warden, John Saunders; Chancellor, Arthur Krauskopf; Advocate, John F. McRae; Treasurer, Ubaldo Chevalier; Financial Secretary, Ralph Gaetz; Recorder, Gordon Hittinger; Lecturer, Morris Logan; Trustee (3 yrs.), Roger Blackburn and Guards Ernest and Dave Bokenfohr.

The other members of the executive are:

Chaplin, Rev. Father Primeau; Trustee (1 yr.), Paul Brochu and Trustee (2 yrs.), Mike Hittinger.

After the formal ceremonies ended, the evening

turned to the lighter side in the banquet hall for refreshments and social activities. Guest soloist, Sister Patrick Elleen from Westlock, thrilled the gathering with two songs, after which everyone enjoyed the toe-tapping music provided by Muriel Krauskopf, Louis Proulx and Brother Thomas Pelletier. A buffet supper was served by the Morinville Ladies Catering Group.

The St. Anne Council of Morinville wish to thank St. Albert, Westlock and Legal Councils for their cooperation in making this a memorable event.

## YOUR WIFE

You and your wife want the best out of life. But you also want to put a 'little something' away for emergencies and for the future. And what better way of systematic saving than through the medium of life insurance? Through life insurance, your wife's standard of living can be maintained if you should die prematurely; through life insurance, your retirement years can be financially secure if you survive. And the accumulation of dividends over the years increases the attractiveness of life insurance as an investment for the living.

## Autocracy at Work

Sturgeon Hospital district #100 was established in June of 1965, following representations to the Minister of Health from various bodies, for a one-hundred and fifty bed hospital to serve this area. This would be reasonably adequate for the area, using the general yardstick in the province of 5.5 beds per thousand people in the area served. (Our district embraces St. Albert and all of M. D. Sturgeon except a small portion on the Eastern boundary which is in Fort Saskatchewan district). According to this yardstick the PRESENT population of this hospital district, about 27,000, requires 148 beds (55 for St. Albert alone).

A 50-bed standard-plan hospital was approved by the 1965 Order-in-Council, which specified that it was to be built on the north side of the river in St. Albert.

The Board appealed this order in July, asking for a minimum of 150 beds. For over two months they heard nothing! Then the appeal was refused - no reason was given. After further consultation and discussion the Hospital Board appealed again on Oct. 25 for a minimum of 150 beds.

Two and one-half months later, on January 12 the Department of Health approved a 100-bed hospital, to incorporate in the planning provision for diagnostic facilities and services to handle up to 300 beds, when the time came that such facilities would be needed.

The Sturgeon Hospital Board were delighted with this decision and began work at once on the preliminary sketch plans. Designing such a structure offered a stimulating challenge to the Board and the Architects. A capable and extremely well qualified hospital administrator was hired in June.

Over eight months schematic drawings for the new hospital were carefully planned and prepared - bearing in mind the needs of the area to be served and the type of design which would lend itself most efficiently to future expansion according to the Directive from the Minister.

During this period each step of the planning was described in detail in Board minutes and Building Committee minutes, and copies of these minutes were forwarded monthly to the Minister of Health. At times these amounted to ten foolscap pages of single-spaced typewritten information. Thus the Minister was at all times fully conversant with the progress being made. No word or advice of any kind was heard from Dr. Ross or his staff during this period, giving reason to believe that good progress, in line with the Department's thinking was being made.

The completed schematic plans were sent in to the Department August 9 together with a request for an appointment for the Board to meet with Dr. Ross for discussion on August 16, providing an opportunity for him to review the completed package in the interval.

Following the August 16th meeting the Board had no word for five weeks. On September 13 they received word from Dr. Ross to build a 100-bed hospital and to make no provision whatsoever for future expansion!

Such irresponsible and irrational behaviour on the part of the Minister of Health is almost beyond belief.

Imagine the chagrin and bitter disappointment of the Hospital Board members and the architects. Their months of painstaking work, countless meetings and discussion had been supported by the exciting challenge of doing a big job well, and the fact that their work would produce a hospital well suited to the needs of the area. Suddenly - without warning - the plan is scrapped!

The Board met and decided it was in the best interest of the community to go along with the Department's decision, and new schematic plans for a 100-bed no-expansion structure were submitted November 23.

Why did Dr. Ross renege on his directive of January to our Hospital Board? Why did he wait until 5 weeks after receiving the completed schematic plans to do so? Surely the people of this hospital district are entitled to an explanation.

If we were living under a tyrannical dictatorship having the known attitude "Let the Public go hang", the methods used by Dr. Ross would be understandable.

## Words - Music

For the past four seasons Walterdale Theatre Associates has presented a completely different edition of "Words and Music for a Winters Night". This has been one of their most popular features as it is a relief from the regular dramatic fare and gives audiences an opportunity to sit back and relax while listening to poetry read by outstanding theatrical personalities and music augmenting the poetry by outstanding musicians.

This year director Jim Fritch has secured the outstanding actor Walter Kaasa to headline his readers and he also features Doreen Ibsen and Warren Graves.

Handling the music for the production are Linda McCoy Pat Hughes and Marguerite Sabourin. "Words and Music", 1967 edition opens Dec. 8 and plays to Dec. 10 at the Walterdale Playhouse 11407 - 107 Street. Shows start at 8:30 p.m.

## Decision on Student Dress

The board of trustees of the St. Albert Protestant Separate School District made a decision on student dress at their Nov. 16 meeting.

Those present were:

R. Harvey, chairman; Dr. W. D. Cuts, Messrs. J. Wiltshire, C. Schroder, W. Penrose, Dr. J. W. Chalmers, superintendent; E. Murray, secretary-treasurer and three members of the public.

1. The District Policy on Student Dress shall be:

a. The board of trustees recognizes that modes of dress influence the attitude of students to themselves and to their school work while expression of personality is to be encouraged, extremes in dress and grooming are unacceptable at school

b. Students are required to dress and to be groomed in a modest, clean and suitable manner to the satisfaction of the principal concerned.

c. To protect district property no student may wear, in school -

(a) rivetted, studded or boy's chain-decorated clothing.

(b) hob-nailed, cleated or studded footwear

and,

2. Parents are to be advised by principals of this revision in board policy and of the dress regulations adopted by the principal concerned.

3. Each principal shall submit to the board within 30 days their own school policy regarding dress. Furthermore that any changes to this policy be immediately reported to the board.

The superintendent will consider the advantages and other aspects of instituting a scheduling system and will prepare a recommendation to the board for consideration, by Feb. 1, 1968.

Progress Payment No. 5 in the amount of \$86,288.60 will be paid to W. J. Bennett for work completed on the Sir George Simpson Junior High School addition.

## Mayor Fowler's Memo

In this our Centennial year and 105 years after the founding of St. Albert we will finally have our own Coat of Arms or Official Crest.

Early this year the Town Council established a Committee to organize a contest and recommend to Council a Crest which could be suitably accepted as the official Crest for the Town of St. Albert.

Those that served on the Committee are as follows: Reverend Father Tardiff, Mr. W. Soprovich, Mr. W. Rohrlack, Mr. Donald Hunt, and your Mayor in an ex-officio capacity.

Advertisements were called in the St. Albert Gazette for submittals to the Committee for their consideration and appropriate cash prizes were established. While the number of submittals by the residents in the Town of St. Albert were somewhat dis-

appointing the first prize was awarded to Mr. Kurt Samow of St. Albert. Mr. Kurt Samow then worked very closely with the Committee and a few small changes were made in the Crest as submitted by Mr. Samow and the Crest Committee made their recommendation to Council at their last regular meeting. Council accepted the design and has instructed the staff to bring forward a By-Law officially establishing the Town Crest at the next regular meeting of Council on December 11th this year.

I would expect that the Town will have a picture of the Crest for publication in the very near future, at which time we will endeavor to have it publicized through our weekly paper with a complete description and its meaning. While the Crest itself has been de-

signed more along symbolic lines rather than according to the rules of heraldry the Committee is convinced that it has a story to tell and does so in a most appropriate manner.

The motto which will be on a banner underneath the Crest and form an official part of it states "In Omnibus Respicere Rinem" which means "In all things look to the Goal". Once again a number of mottos were submitted and this particular motto was the submittal of Reverend Father Tardiff and thought to be most appropriate by your Committee.

I would hope that in the very near future the official stationery of the Town of St. Albert will bear this Crest and I am certain that there are a considerable number of other ways in which the Crest may be used.

I would like to congratulate Mr. Kurt Samow on his design and the amount of work he has put into it which has been very considerable. I would also like to congratulate and thank those other contestants who took the time to submit designs for this competition. It is my sincere hope that this Coat of Arms will be something that our residents may claim as their own and have considerable pride in as we move into the future.

that he look into the possibility of setting a cut off date for requisitions and also advise regarding the date.

Mr. Schroder requested the Administration to investigate -

1. The availability of portable classrooms.
2. Whether it is possible to rent them.
3. Possible delivery schedule and,
4. If grants are available.

Mr. Penrose reminded the board that under existing policy the superintendent will be presenting a report on projected building requirements in December.

Mr. Penrose also advised the board that the Edmonton public school board teacher recruitment team will be going to England in February. He mentioned that they have offered to interview all applicants who reply to advertisements placed by us, and also that they are willing to pass on names of specialists that they do not require themselves.

The superintendent was requested to investigate the need for advertising in England.

Mr. Schroder requested that the secretary treasurer investigate the possibility of additional financial assistance for the district from the provincial government and what steps should be taken in this regard.

Mr. Harvey suggested that a special board meeting be held on Nov. 30, to discuss awards night, junior colleges and change of district name.

Purchase of a film strip cabinet for Sir Alexander Mackenzie school for an estimated cost of \$82.00 was approved.

The superintendent advised that the district intends to enter the 2nd Annual Encyclopedia Britannica library contest. He explained that awards are given annually to three selected school systems with the most outstanding evidence of, or plans for, system wide improvement of elementary school libraries.

The superintendent also recommended that four members of the library council be authorized to attend the A.T.A. library council conference held at Red Deer on Nov. 18. He also recommended that the cost of registration and travel amounting to approximately \$40 be paid by the district. This was approved.

The superintendent read a letter received from A. R. Gate, superintendent, parks and recreation department, town of St. Albert, requesting that the Y.M.C.A. wrestling club be allowed to use the Paul Kane High School on Saturday mornings and further that they be given permission to use the wrestling mats.

This was approved on condition that the club accepts full responsibility for any damage done to the mats.

The Y.M.C.A. Swedish Gym Classes will be allowed to use the school's balls and hula hoops on the same conditions.

Dr. Cuts was the second member of the board authorized to attend the A.T.A. Seminar on Education Finance held from Nov. 19 to 23, at the Banff School of Fine Arts.

All trustees who wish to, and are available were authorized to attend the A.S.T.A. employer-employee relations workshop to be held from Dec. 3 to 5, at the Macdonald Hotel. The superintendent and secretary-treasurer were also authorized to attend.

The secretary-treasurer

presented a letter from Walker, Newby and Associates Ltd. regarding a change in the amount of land the board will receive back under the replottingscheme. Mr. Walker pointed out that an error was made in the original plan and requested that the revised plan, as provided, be attached to the board's file copy of the consent to the replottingscheme and that the number of acres of the consent be changed to read 10.5 acres. He also requested that the board advise if the revised plan is acceptable. It was accepted.

Mr. Schroder reviewed the report of the meeting held by the high school committee on Oct. 21. He mentioned that a meeting with Mr. Blocksidge, coordinator of the school buildings board is to be arranged by the superintendent.

Mr. Schroder advised the Board that a tour of the Sir George Simpson Junior High School addition was arranged Nov. 18. He mentioned also that the project is approximately two weeks behind schedule.

The superintendent presented a financial report received from M.E.E.T.A. showing total contributions received from participating authorities.

The board recommends the Executive of the ASTA consider endorsement of the provincial government brief on educational television or that the association send a parallel brief to the provincial governments' brief.

The board will investigate the establishment of a system of teaching assistants in the district and that the district administration investigate by discussion with department officials, the possibility of grants, for teaching assistants and further that the administrators' council investigate other aspects of the system.

Mr. Wiltshire requested that the secretary treasurer investigate and advise the board of the total amount in each account carried forward from 1966 to the current year. He also suggested

by Hennie Stibbe.

School Principal J. S. Kaminski promised the audience a show with "everything at Sullivan's", when he welcomed a standing room only crowd of close to 500 to Father Jan's Second Annual Talent Night.

Some 110 students attend Father Jan in Grades 1 to 6. The school has five Grade 5 classes as all public school students in St. Albert take their fifth Grade here. Mrs. R. Kennedy who is in charge of music at the school, accompanied the performers on the piano.

The two and half hour show featured no less than 40 acts of all description, including song, dance, skits, instrumentals, acrobatics and group performances. Except for the group performances for Grades 1 to 4 the students received no help from their teachers and produced the numbers themselves.

The judges, Mrs. D. Knill, Mrs. R. Soprovich, C. Kambeitz and L. Tellier had a difficult time choosing the winning acts.

In the group performance Grades 1 to 4, first prize went to Grade 3 for their

version of Little Black Sambo. This play featured a most amusing on-stage costume change, but then, when you're only 8 why bother to go behind a curtain for such a trivial matter?

The second prize was awarded to Grade 1 for their recital of The Monkey and the Crocodile.

In the solos and duets Grades 5 and 6, first prize was won by Colleen and Patricia Sheehan for their song "Side by Side". Second prize was awarded to Louise Caouette who played the Lara Theme on the piano.

First prize in the solos and duets grades 1 to 4 went to Highland Dancer Debbie McRae. Second prize was won by Cindy Lansink who sang Rudolph the Red Nosed Reindeer.

In the group performance Grades 5 and 6 an honorable mention was given to the Six Hombres, a swinging Go-Go Act. Second prize was awarded to the 13 boys who put on the skit "F Troop".

First prize winners were Gail Neumann, July Leburg, Sheila Borle and Jean Sutherland for their skit

"Spring Shoes", a play all about three ladies who "just adore shoes" and drive the shop owner to desperation trying on umpteen pairs and finally leave, without buying anything, promising to come back "next time we're caught in the rain".

It was hard to tell who was having more fun, the audience or the exuberant young performers, all of whom deserve a big bouquet.

### Heads AARN

An excellent turnout of 39 nurses of the proposed St. Albert and District Chapter of the A.A.R.N. met Nov. 28 to tour the Youville Home and to elect officers.

The Chapter is being formed to provide local nurses with the opportunity to update their knowledge in nursing and to advance activities of nurses in the community.

Guest speaker, G. W. Townend, administrator of the future Sturgeon General Hospital, discussed the present plans and drawings of the hospital and answered questions put forth by the nurses regarding details and a construction date. A committee from the chapter has been invited to meet with Mr. Townend to further discuss the plans.

Officers for the 1967-68 term are; president, B. Wheatley; vice-president, G. Byrne and secretary-treasurer, S. Garvin.

The next chapter meeting will be at the Youville Home Jan. 16. All nurses are invited.

## Choral Concert

The Second Annual Christmas Choral Concert will be held this coming Sunday evening December 10th in the St. Albert Evangelical Lutheran Church at 7:30 p.m. Christmas music will be presented by the Junior and Senior Choirs and everybody is cordially invited to attend.

## St. Albert

As a Centennial project M. J. Drysdale decided to seek out the persons who are direct descendants of those who lived in St. Albert 100 years ago. His reason for doing this was so that St. Albert could publically honor the memory of those pioneers who resided in St. Albert in 1867.

His efforts have taken him over a great deal of ground and into the homes of many interesting people. He has come up with five families in this category in his searching.

The first family to be recognized was John and Sophie Rowland who first came to St. Albert in 1866. Mrs. Louisa Belcourt, their daughter accepted a scroll to honor them on July 1.

The highlight of Mr. Drysdale's centennial project took place on Nov. 29 when descendants of Sam Cunningham, John Cunningham, Octave Bellrose and Narcisse Beaudry accepted scrolls from Mayor Richard Fowler to honor their memory.

The first story is that of Sam Cunningham. The Gazette is indebted to Dr. J. W. Chalmers for doing the research and writing their biographies.

Mr. Drysdale still seeks further descendants of families that were here 100 years ago. Any information would be gratefully received and your ancestors duly honored.

100 Years Ago.

SAM CUNNINGHAM

Much more than a century ago - in 1849 to be exact - John Cunningham's wife Rosalie presented her anxious and admiring husband with their first-born, a son known to history as Sam. In due course, Sam took up the river lot next to his father's on the Sturgeon River. There his old log cabin stands to this day.

His descendants remember Sam for many achievements. For example he was instrumental in laying out the route of the Edmonton Trail - or the St. Albert Trail, if you started at the other end of it. Later, of course, it was to receive the unromantic designation of Highway No. 2.

through Grouard. But it didn't, and the boom town of Grouard collapsed like a punctured balloon.

Sam's son's wife, interestingly enough, was none other than Justine Pagee, the granddaughter of Gabriel Dumont, Riel's military leader. Surely this was an indication that the hostilities of 1885 were over. Today this branch of the family is represented by Chester Cunningham, who holds the position of executive director of the Edmonton Native Friendship Centre. The purpose of this Centre is to help Indians and Metis make the difficult transition from rural to urban life and do so while preserving the best of their native heritage. Chester hopes that many descendants of Alberta's first residents will record their proud legacy of history and tradition in this centennial year.

On behalf of his great-grandfather Sam, Chester Cunningham has received a St. Albert Centennial Scroll from Mayor Fowler.

Here Chester Cunningham is seen accepting a scroll from Mayor Fowler of St. Albert. The scroll is to honor the memory of Sam Cunningham.

# Seed Cleaning Plant Meeting

by Mrs. Rose Martel.

The Annual Meeting of the Morinville Municipal Co-operative Seed Cleaning Plant, was held in the offices of the M.D. of Sturgeon in Morinville, Nov. 25 with 35 members present.

President Allen McDonnell chaired the meeting and Mr. Angus McGillis served as acting secretary in the absence of Mr. J. M. Sharpe, who was unable to attend. The chairman welcomed the members, guest speakers and the press representative.

In his report, Mr. McDonnell stated that the Morinville plant had set a record with a total of 528,000 bushels of grain cleaned in the 1966-67 term. The board held 10 meetings during this past year and attended one regional meeting.

Much credit was given to Mr. Bud McGillis, manager of the Morinville Seed Cleaning Plant, Mr. Michel Hogue and members of the staff, for the very efficient operation of the plant. The financial report was also most encouraging with some \$6,000.00 paid in special patronage dividends. The revised insurance is now being paid for \$75,000.00 replacement value on the present building and equipment. New memberships are being sold for \$5.00 deposit on a \$25.00 share the balance to be paid by patronage dividend.

Among the projects being sponsored by the Morinville seed plant, is public speaking competitions for 4-H members. Mr. Paul Riopel of Morinville was the 1966 winner. Mr. McDonnell noted that the Centennial project of gate signs for each farmer member was an unqualified success with 500 completed and distributed to members. The chairman stated that the board had adopted the policy of no grain cleaning by anyone who had an outstanding balance owing to the plant. He also reported that both the plant and machinery were in good shape and that new grain treating equipment for the sum of \$1,100.00 had been purchased plus trade in value of machinery turned in.

The financial report was given by Mr. Smith of the

chartered accountant firm of Touche Ross and Bailey and Smart of Edmonton. Election of two directors was held and Archie Cameron and Albert Hall were returned as board members by acclamation.

Bud McGillis, plant manager in his report thanked the members and staff for their splendid co-operation saying that he enjoys the work at the plant. He remarked that the Morinville plant holds a Grade 1 certificate of operation. Some 23,000 bushels of pedigree seed oats has passed through the plant, and about 33,000 bushels had been cleaned and sacked for outgoing seed, stated Mr. McGillis.

Sherman Yelland, supervisor of cereals and oil seed crops, Alberta department of agriculture was the first guest speaker. After complimenting the board members for their excellent work, and the staff for their outstanding job of taking care of the seed crops of the district, he announced that the pedigree seed growers will have some priority on the quota delivery.

He spoke on the variety of seed grains, saying that many of the old weaker varieties have been eliminated by new scientific experiments with new varieties. He stated that although the scientific experiments have not increased the yield of wheat, the grade is far superior. He also stated that the yield of barley has been increased, and that Alberta was the leading barley grower surpassing Saskatchewan. He suggested that malting barley should be tried and many new varieties have superior qualities. Very successful experiments were recently reported from dry land in the Lacombe district.

In wheat, Thatcher is the top variety, Manitou has given very good results in Manitoba, Saskatchewan, and other parts of southern Alberta, but not recommended for the Edmonton area, on account of its later maturity date. Parks variety replacing Saunders, has a better kernel and better yield, and matures 3 to 4 days earlier than Thatcher wheat. Mr. Yelland suggested that farmers should ex-

periment on their own farms by buying two bushel bags of different varieties and running a drill row of each to see for themselves what the results are in their local areas.

Among the popular varieties of barley he mentioned the new "Centennial" second generation seed, that could be a malting barley, that is very resistant to lodging, but remains to be tested in many areas. "Jubilee" good proven variety; "Galt" very popular "Conquest" accepted by malting companies

## Thank You

May I at this time as elected Mayor for the town of Morinville, express my appreciation for the confidence you have placed in me at this recent election. I will do my utmost to justify this confidence and give you the type of administration that you have voted for.

Also at this time I would like to thank the many people who gave of their time to acquaint the electors with the importance of this election, and so the many people who supplied the transportation to the senior citizens.

The election is over. Now the paramount objective is the future of the town. Let us as a council, and as ratepayers, work together to achieve this.

The door of my home is always open to you, the ratepayers, to bring to my attention any realistic grievance or any constructional criticism you may have.

The council meetings are also your meetings. Feel free at any time to use this medium to express your feelings.

Once again, thank you for the bottom of my heart for the confidence you have placed in me.

Respectfully submitted,  
Arthur Stapleton, Mayor.

ARTHUR STAPLETON

On Nov. 29 the largest vote ever recorded in town elections, 390, no spoiled ballots, out of a total of 543 possible votes. There were Arthur Stapleton with 223 votes, defeated Roger Blackburn who polled 167 votes.

This was the first election for a mayor for the town of Morinville in 17 years. Previously mayors have gone in by acclamation.

Every taxpayer in the town of Morinville was contacted and every person who was able to vote was given every opportunity to cast his vote on Nov. 29.

Morinville Memo

Weiss, Miss Jeannette Bauwens and Paul Houle, communicated to their adult counterpart their ability to take responsibilities in the community.

Mayor Arthur Stapleton congratulated the members for their initiative and responsible attitude in sponsoring this forum.

A vote of thanks was expressed to Rev. Father Armand Beaupre as adviser for this group.

On Dec. 3 some 65 people heard an inspiring talk by Rev. Hart Castelon on the human aspects of youth in today's world. It was a very informative session for all present. Full details in next week's issue.

Recently Mr. and Mrs. Howard Kleser, were hosts at a surprise birthday party, in honor of Mrs. Kleser's father, Joseph Derrin, 65 years, of Legal. A supper was served to some 25 guests, plus a big birthday

Main Street Dust

At the Nov. 14 meeting of the council of the town of Morinville main street dust came under discussion.

Messrs Wozny, Jeet Khullar and Norm Meunier, representing the Morinville Board of Trade presented their plan for the control of dust on town streets. This would consist of a system of collecting used oil from garages and mixing with M.C.P. solution, and spread with town equipment.

Delegation advised of certain problems, but that it was a worthwhile project.

Those present were: Acting mayor Ouellette, deputy mayor Calder, councillors Roddez, Champagne, Curtis and newly elected councillor Sale. Also present Mr. Bob Hanson from Edmonton Regional Planning Commission.

Mr. Sale subscribed to his official oath of office.

Bob Hanson discussed with council the proposed annexation to the town.

Messrs. H. E. White, Ed Kryskow, N. Mammier and Lawrence McDonald representing the Morinville Curling Association inquired as to their position as to arrears in taxes on the curling rink.

Council discussed problem of sanding streets. Public works committee to investigate possibility of availability of sander.

The following building permits were submitted and approved.

Lot 7 Block 5 plan 7406A addition to dwelling. (A. Soetaert) Lot A, Block 15 Plan 2208N, Y. Private Garage (A. Soetaert)

cake. Gifts were presented by members of the family.

All his children and grand children were present with the exception of his son, Vital, who is serving with the PPCLI Regiment in Germany at this time.

Most Morinville patients are back from hospital, with the exception of Miss Lucienne Cormier who is resting in Westlock hospital.

On Monday, Vincent Craig grade six student, and son of Mr. and Mrs. Albert Craig was taken to hospital after suffering back and head injuries in a fall, and is now convalescing at his home.

Copy of building permit No 54-67 by the Municipal District of Sturgeon was submitted to council.

There was no objection to a building permit being issued to Gus Meunier and Norm Meunier.

Rev. G. H. Primeau, Messrs. Kryskow, L. McDonald and Emile Riopel discussed the possibility of establishing a recreation board in the town, to implement and pursue a recreation program. A sample copy of a recreation by-law was presented to each member of council. By-law received first and second reading.

Constable Dubord gave a report on welfare and policing.

A letter was received from Sturgeon Health Unit as to satisfactory bacteriological content of town water supply.

A letter from L. J. Maiden chief of division confederation train and caravan, thanking council and centennial committee for their assistance on centennial caravan day.

A letter from N. R. Meunier requesting sewer and water service to their property on Pt. N.W. 34-55-25 W. 4. This will be available on annexation.

Councillor Calder moved that Pearl Assurance be notified that the building situated on Lot 7, 8 Block 1 Plan VIII B was occupied by the Morinville Youth Committee, and will be occupied until the building is replaced and request re-instatement of policy.

Mr. Curtis reported that Fire Chief McDonald is in agreement with the garage portion of the proposed Fire Hall, providing that provisions are made for the personnel accommodation section.

4-H Beef Club

The Morinville 4-H Beef Club held their weigh-in on Nov. 18 at Gainers buying station one mile south of Morinville.

Seventeen calves were weighed-in, among which were two pens of three. One taken by Miss Linda Schneider and the other by Paul Riopel.

Also there were three pee-wee members who had their calves weighed.

It has been decided that meeting will resume as usual, the first Thursday of every month at 8:00 p.m.

Ferdie Rustemeier.

SEED CLEANING PLANT MEETING  
Continued from Page 6

and recommended by D.A. Speaking of oats, Mr. Yelland reported that a rash of new varieties were on the market. He stated that "Victory" was a hardy and proven variety. That the "Fraser" and "Grissly" were to stay. The "Eagle" was good but that the "Rodney" had a plumb kernel but very prone to shelling easily.

Jack McEwan, from Gibbons, regional representative of the seed plants for this zone, reported that very good public relations existed between all the plants in the district, and that mutual help was given from one manager to the other when need arose in case of emergency. He mentioned that a proposed Alberta board is being investigated to promote the mutual help between all seed cleaning plants in the province, of which there are 65 in operation at this time. The question of insecticides was also mentioned. Mr. McEwan stated that a recent discovery of a perfectly harmless insecticide to humans and animals has been introduced to the market.

Firsts for Morinville

George Cramton, secretary-treasurer of the seed processors of Alberta and a director of the new crop insurance introduced last summer was the last guest speaker to address the gathering.

He stated that the Morinville seed cleaning plant was the 4th built in Alberta, but was rated first in many ways. Morinville rates first according to its financial report and also first plant

MYRC

The last meeting was held on Nov. 27 at the Morinville Rectory. Members present were: Denis Himschoot, Denis Beland, Jeannette Bauwens, Denise Chevalier, Colleen McDonald, Denis Charvet, Gerry Borle, Donald Weiss, Rene Chevalier, Paul Houle and Father Beaupre.

Colleen was paid the phone bill for the booking of bands. The Hidesway took in \$45.30 for concessions at their record hop on Nov. 25.

Bill of \$207.80 was paid to Acme for bingo prizes. Another bill of \$5.57 was also paid for bingo prizes.

Lorne Hittinger attended our meeting on business terms.

## Bon Accord Community History

The people of Bon Accord are to be congratulated on the way they have responded to our recent requests for information in connection with the history. The work is progressing very well and soon we hope to make a statement regarding publication. It might be as well to mention at this time that publishing a book of this sort is an extremely expen-

sive undertaking and we hope we can look forward to co-operation in this regard when the time arrives.

All materials previously requested are now urgently required! May we have remaining family histories as soon as possible? Every family settling in the district before and including 1925 is asked to submit a

history.

Revised list of names of those serving in both World Wars appears below. Please check the names and let us know immediately of any names which are spelled incorrectly or missed.

Further requests:

Does any family in the area have a family crest?

Does anyone have a good picture of the townsite taken in summer?

Could someone supply us with a writeup on an early wedding?

Is there a sample of an early wedding invitation?

A short account from anyone on any of the following would be appreciated: Cheese making, soap making, candle making and spinning.

We are short of information on the depression years. We would like accounts of the 30's from men women and those who were children at the time. Short items would be most welcome. They could be put together to make most interesting reading. A full account of crop prices would be useful.

So far we have been unable to contact relatives of the following. They are all early settlers. We would appreciate any information of any kind:

Fred Hector, Dick Cunliffe, John Whitford, John or Wilmar Merredith, Claude Thornton, Peter Pruden, Joe Wray, George Shively and Fred Halliday.

Histories of all organizations are required as soon as ready.

## Photographer

Dear Danny;

The leaders and members of the Legal 4-H Clothing Club would like to thank you with all our hearts for having come out to take pictures at our Centennial Banquet. This is something which all of us truly appreciate I'm sure.

Thanks to the "St. Albert Gazette", we try to make as much local news as we can so I'm sure everyone will be delighted to see the pictures.

Once again we thank you,

4-H Clothing Club  
Sylvia Auger,  
Secretary.

## NAMAO NEWS

by Audrey Gibson.

On Nov. 29 the Namao School honored 121 pioneers of the area. A scroll was given to each pioneer in appreciation of their contributions to the district. Guest speakers were Lawrence Rye, G. D. Salloum, provincial centennial officer; and Rev. E. Miller of Namao United Church.

Academic awards were given to high school students who achieved high standings in their examinations last year. Students who received awards were: Linda Nelsen, Margaret Zima, Marjorie Cresswell, Carol Wigelsworth, Evan Miller, and Ken Miller. After an old time sing-song a large centennial cake was enjoyed by all.

The Namao 4-H Garden Club will sell Christmas trees this year. They will be sold at the homes of Terri Jeffery and Audrey Gibson and at the community hall on Dec. 16 and 23.

## Another Alberta Junior Citizen of the Centennial Year!

## PATRICIA ANNE ZEMANEK, Viking

While Patricia's parents were away at a funeral she suddenly smelled smoke. The lawn grass was ablaze! She fought the fire with wet rags but soon realized this to be futile. Hustling her small brother and sister into the farm truck, this brave 14-year-old girl drove it to a neighbour's. There, the truck stalled, so she took the neighbour's truck and drove to yet another farm. Upon arrival she phoned the fire department. A tractor, a shed and some farm items were lost in the fire, but Patricia had saved the farm!

We congratulate Patricia Zemanek and thank Alberta's Weekly Newspaper Editors for their active participation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Robert Thunnell, Editor of the Viking News and to Patricia's nominator, Mr. H. A. Willens.

## Welding School Slated for Morinville

With welding equipment becoming more common on most farms, training in this art is becoming more necessary.

To provide an opportunity for farmers to obtain this training a welding school has been arranged to be held in the municipal shop in Morinville during the week of Dec. 18 to 22.

This school is arranged by the district agriculturist and

instruction provided by qualified instructors engaged by the department of agriculture.

Instruction will be given in both electric and acetylene welding. Although one week's training does not produce professional welders, it does provide sufficient training and practice to allow students to learn how to do most of the welding jobs around the farm.

To ensure that each person enrolled can be given individual attention the course is limited to 24 students. S. C. Powers, district agriculturist at Morinville stated that applications for attendance at this school would be accepted on a first come first served basis. Application may be made by mail or by phoning the D.A. office at 256-3351.

The registration fee for

the course is \$10, per student which is charged to cover the cost of materials used in practice. All equipment, such as welding rods, helmets and goggles are supplied. The only items a student must provide are gloves and pliers.

Farmers wishing to attend this course should contact the district agriculturist office in Morinville as soon as possible.

## Morinville Cool Spoolers

by Janis Pelletier

Morinville -- The Parish Centre was the scene of the second "social" meeting of the cool spoolers sewing club. Elaine Himschoot, chairman, called the meeting to order at 7:30 p.m.

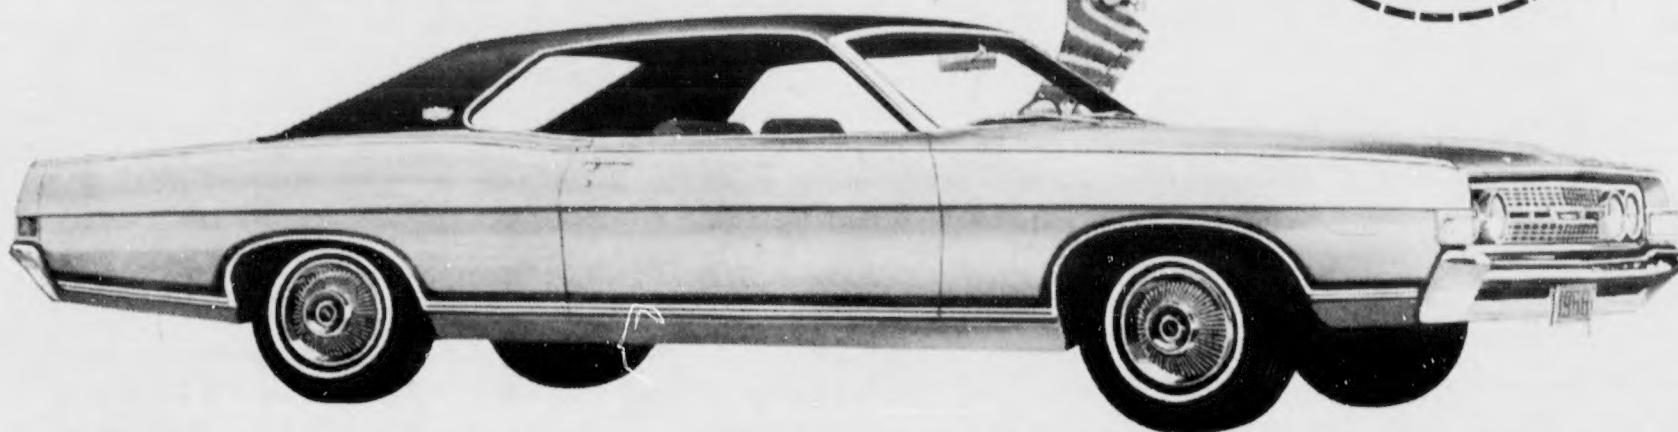

Present were fourteen members and the four leaders, Mrs. Ambrose Brennels, Mrs. Paul Chalifoux, Mrs. Norman Meunier and Mrs. Nick Wojtkiw. Visitors

were Mrs. Octave Himschoot and Mrs. Albert Verbeek.

The 4-H Club decided to go Christmas carolling on Dec. 19 and 21. Funds raised will be used to help send a crippled child to camp in the summer of 1968. The committee in charge consists of: Grace Morris, Lorraine

Ford's newest bright idea.

Torino! Action sized, quick handling. It's Mustang-type excitement all over again with big car comfort in six beautiful models, six passenger size: 2-door hardtops, 4-door sedans, wagons, fastbacks, GT's, convertibles.

Torino! Filled with better ideas from Ford: up to 427 cubic inches of track-bred power. Up to the minute options like speed

control, AM/FM stereo radio, AM Radio/StereoSonic Tape System, air conditioning, two-way tailgate on wagons (a Ford invention), and a surprisingly low price. This is everybody's action car. Spirited. Exciting. When somebody asks "what's new", tell them Torino. The most exciting place to be this year is in Torino.

## Significance of Grade IX in the Alberta School Program

by W. J. Fitzpatrick  
Senior Principal  
Thibault S. D. #35.

Grade IX exams are written by over 20,000 students in Alberta annually. The results of these exams, according to studies are the best known predictors of the probable degree of students' success in high school. Therefore they are used to chart a student's program

Grading	D	C	B	A	H
No. of students	10	30	25	25	10=100
	Fail		Pass		Honors

Thus a grading of "C" in a subject means that at least 60% of the students who wrote, got a higher mark and this student's mark is in the lower 40%.

at the beginning of high school. What the Grade IX results tell the parent and the teacher should be the basis on which the Grade X program is developed.

The Grade IX report received from the Department of Education uses the letter gradings D, C, B, A, H. For every average 100 students this should be their distribution:

Similarly students with 4 "Ds" and 2 "Cs" in the academic subjects are likely to fail, whereas students with 4 "As" and 2 "Bs" or higher in the academic sub-

jects usually go on to the Matriculation program in the high school. Students in between with marks of "Bs" and "Cs" generally are eligible for the other programs in the high school which include a preponderance of commercial and technical subjects, often called the "Diploma" program.

With such a selection process the number of students who complete a matriculation program are in the minority when you consider the number who enter Grade 10.

These are averages. Human drive can improve a student's achievement. No student should give up without trying his best.

Perseverance and good work habits are as necessary to success in school as they are in life.

My advice to a high school student would be "If you want a future, don't be a dropout; stick with school

## Seed Cleaning Plant Sets Record

The Morinville Seed Plant under the able management of Bud McGillis, again led all other Alberta seed plants in the number of bushels cleaned with a whopping total of 507,000 bushels. The average for the 60 plants in Alberta is 300,000 bushels. Mr. McGillis indicated that the half million bushel record was not easily accomplished. Full cooperation of the farmers in the area made it possible. To reach this record total, he said the plant operated on a 24 hour basis from early in the cleaning season until well into June. He was long in his praise for the approach most farmers have

and you can't help but win some degree of success."

taken toward booking their cleaning orders as soon as harvest was completed. This he said, enabled him to arrange cleaning schedules which kept the plant operating at full capacity for at least an eight month period.

The Morinville plant is without a doubt, in the best financial condition of any plant in the province. Financial reserves are being maintained and the board of directors have a sizeable building fund which will be used to replace the plant when it becomes obsolete. The Board feels that perhaps within the next decade, new machinery and plant designs will become available, and the association will have to consider building a new plant

to ensure that its patrons get the best possible service and product.

### LIBRARY OPENS Continued from page 2

Family of more than 4 \$5.00 each per annum. Each person can borrow two books for a period of two weeks.

A fine of 5¢ will be charged for each day a book is overdue.

There will also be fines of varying degree for damage to books.

Patrons will be expected to pay the full value of a book lost.

The library already has many interesting books both fiction and non-fiction. We will start the New Year with a small number of monthly periodicals as well, these will be for reading in the library, but can be loaned after the current month has passed.

## Obituary

Paul Sylvestre LAID to rest

On Nov. 27 funeral services were held in St. John the Baptist R. C. Church in Morinville for Paul Sylvestre, 32 years, who was killed in a car-bus accident on Nov. 23. Rev. Armand Desjardins officiated. Interment followed in the local church cemetery.

A large congregation of relatives and friends attended.

The late Mr. Sylvestre is survived by his mother, Mrs. Alphonse (Jeannette) Laurence of Slave Lake; six brothers, Harmel, High Ridge; Raymond, Taylor Flats R.C.; Ralph, Fort McMurray; Leandre, Morinville; Lucien and Dennis, Edmonton. Eight sisters, Mrs. J. (Armande) Henderson, New Brunswick; Mrs. R. (Cecilia) Como, Riviere Qui Barre; Mrs. S. (Pauline) Kazleko, Vermilion; Mrs. T. (Theresa) Nash, Agincourt, Ont; Mrs. R. (Jeannette) Heinrich, Vancouver; Mrs. J. (Jacqueline) McGinnis, Edmonton; Miss Claudette Sylvestre, Vermilion; Mrs. R. (Germaine) Weiss, St. Albert, and his fiancée, Miss Joyce Stevens.

Mr. Sylvestre was born here and had attended school in town, before the death of his father (Armand) some fifteen years ago.

Mr. Sylvestre was accidentally killed in a truck-bus collision two miles south of Morinville on the evening of Nov. 23. Although he was killed instantly in his own truck, no other individuals or the driver of the north bound bus were hospitalized.

# Leave the wife a tip.

A penny tip? Unheard of! But this is no ordinary penny. It's a power penny! The only penny that has doubled its value in the past 20 years. While the cost of living has gone up, the cost of electrical living has come down. Here are a few good "power penny" tips. Tell the wife!

Bake 5 cakes for one power penny.

One power penny dries 2 lbs. of clothes — ready to iron or put away.

One power penny lights the way to your front door for 5 long hours.

Brew all the fresh coffee you can drink in a day for one power penny.

One power penny toasts 50 slices of bread — light or dark.

A floor polisher and a power penny — another shining example of electrical value.

MORE POWER TO YOUR PENNY with today's electrical living!
